RE: Proposed abandonment of approximately 21 miles of rail line between Bruce Junction, Milepost 21.0 and Bruce, Milepost 0.0, Mississippi and Skuna Valley Railroad, MDAH Log #10-007-11, Calhoun and Yalobusha Counties

Dear Ms Yasbin:

We have reviewed your historic report, received on October 3, 2011, for the above referenced undertaking in accordance with the Section 106 Programmatic Agreement for Mississippi and pursuant to the National Historic Preservation Act and 36 CFR Part 800. Based on the information provided, we concur that the abandonment of the rail and removal of the rails is unlikely to have any direct effect to historic resources. Railroads in towns that developed because of the railroad may be contributing resources to National Register of local historic districts. As such, additional research in the future may cause our evaluation to change. However, we do not consider abandoning the line to be an adverse effect to either archaeological or architectural resources.

If you have any questions, please do not hesitate to contact us at (601) 576-6940

Sincerely,
